

# PhilRx is a modern patient access platform that provides your patients with affordable, reliable and transparent access to AUVELITY.

Eligible patients may **pay as little as \$0** with PhilRx. Our savings offer will be automatically applied for the lowest possible price available to eligible commercially insured patients.

## Why use PhilRx?

Prescribe via EHR,  
no hub forms

Reimbursement support during  
the prior authorization (PA)  
process and beyond

Visibility into patient  
prescription journey via fax  
or email summaries

## How to use PhilRx:

- 1 Send the Rx to PhilRx and let the patient know to expect a text within minutes**
  - Search “PhilRx” in your EHR’s retail pharmacy finder
  - You can also send an Rx via Phone or Fax:  
Phone: 855-977-0975, option 1  
Fax: 888-975-0603
  - To minimize callbacks, include: patient phone number, chart notes, prior tried/failed and ICD-10 in the Rx note to pharmacist
- 2 Submit PA when required**

PhilRx will pre-populate PA form and fax you the CMM key to submit
- 3 Review Weekly Patient Journey Report fax or email**

Report includes successful dispenses, pending patient enrollment or payment, PA submissions needed, etc.

CMM=CoverMyMeds; EHR=electronic health record;  
ICD-10=International Classification of Diseases, 10th Revision
